Re: extension of time to reply for application No 10/566,482

Dear Sir,

I am in receipt of your office communication dated 09/13/2007. Unfortunately, due to a recent change in the business address (please note new address below) and a long weekend public holiday in Australia your communication was actually received only today, 2nd of October 2007.

I note that your communication allows for one month time limit to reply which, given the time already passed, would be very difficult to comply with. Accordingly, I would like to kindly request a one-month extension of time to reply to your communication.

Thank you in advance for your help in this matter.

Sincerely,

Michael Bazylenko, PhD
